

## **“Life digitalisation and possibilities for endangered cultures: Livonians”**

**Midla Dailidenaite**

10<sup>th</sup> Winter School of the GSCSA student seminar abstract

The Coronavirus and the quarantine, self-isolation has brought plenty of issues, but it also opened many possibilities to create digital content. I will talk about how the Livonian institute (University of Latvia) has used these possibilities in three projects over 2020 and about the possibilities which have opened up due to the pandemic. And I will briefly discuss and illustrate the outcomes of the projects.
